Multiple Choice Question Paper
(One hour)

Important Instructions

- The duration of the paper is **One (1) hour**.
- The medium of instructions and questions is English.
- This paper has **25 questions** on **6 pages**. Answer **all** questions.
- All questions are of the **MCQ** (Multiple Choice Questions) type.
- Each question will have **5 (five)** choices with **one or more** correct answers.
- All the questions will carry equal marks.
- There will be a penalty for incorrect responses to discourage guessing.
- The mark given for a question will vary from -1 (All the incorrect choices are marked & no correct choices are marked) to +1 (All the correct choices are marked & no incorrect choices are marked). However, **the minimum mark per question would be zero**.
- Answers should be marked on the **special answer sheet** provided.
- Note that questions appear on both sides of the paper. If a page is not printed, please inform the supervisor/invigilator immediately.
- Mark the correct choices on the question paper first and then transfer them to the given answer sheet which will be machine marked. **Please completely read and follow the instructions given on the other side of the answer sheet before you shade your correct choices.**
- Calculators are **not** allowed.
- *All Rights Reserved*. This question paper can NOT be used without proper permission from the University of Colombo School of Computing.

- 1) Consider the following.
- I. Facial expressions
 - II. An email
 - III. Eye gaze

Which of the above is/are considered non-verbal communication skills?

- | | | |
|--------------------------|-------------------------|------------------------|
| (a) (I) Only. | (b) (II) Only. | (c) (I) and (II) Only. |
| (d) (II) and (III) Only. | (e) (I) and (III) Only. | |

- 2) Which of the below statements is/are correct regarding the personality traits in the OCEAN model?

- | |
|--|
| (a) Agreeableness is the degree to which a person is outgoing, talkative, and sociable. |
| (b) Openness is the degree to which a person is organized, systematic, punctual, and dependable. |
| (c) Neurotic people tend to have emotional adjustment problems and habitually experience stress and depression. |
| (d) Extraverts are always irritable and do not engage happily at work as they find it difficult to build friendly relationships with the people around them. |
| (e) Conscientiousness is a valuable trait for entrepreneurs. |

- 3) Identify the correct statement(s).

- | |
|--|
| (a) The ACM Code of Ethics and Professional Conduct is designed to inspire and guide the ethical conduct of all computing professionals. |
| (b) A computing professional should accept all work without revealing competence. |
| (c) The code of conduct explains a person's relatively stable feelings, thoughts, and behavioral patterns. |
| (d) A professional leader should ensure that the public good is the central concern during all professional computing work. |
| (e) Understanding someone's personality gives clues about how that person is likely to act and feel in various situations. |

- 4) Which of the following correctly lists the steps of the SQ4R method in the correct order?

- | |
|---|
| (a) Survey, Question, Read, Respond, Record, Review |
| (b) Survey, Question, Read, Record, Respond, Review |
| (c) Survey, Question, Respond, Read, Review, Record |
| (d) Survey, Question, Respond, Read, Record, Review |
| (e) Survey, Question, Review, Respond, Record, Read |

5) Scientific writing can include,

- | | | |
|--------------------------|---|------------------|
| (a) experimental writing | (b) scholarly publications | (c) short novels |
| (d) survey reports | (e) documents associated with experiments | |

6) Which of the following is/are **incorrect** about primary sources of reading?

- | |
|--|
| (a) A primary source interprets another source |
| (b) A primary source provides commentary on another source |
| (c) A primary source can be a magazine article discussing data collected in a survey |
| (d) A primary source includes raw data |
| (e) A primary source can be a review of a published article |

7) Which of the following best describes Paraphrasing plagiarism?

- | |
|---|
| (a) Copying word to word textual information. |
| (b) Restating the same content in different words. |
| (c) Content translation and use without reference to original work. |
| (d) Presenting same work using different media: word-to-word etc. |
| (e) Using similar ideas which are not common knowledge. |

8) Which of the following document is a technical communication document intended to assist people using a particular system?

- | | | |
|---------------------|-------------------|------------|
| (a) Proposal | (b) Specification | (c) Manual |
| (d) Progress report | (e) Project plan | |

9) Software licenses are important to:

- I. Protect the owner rights
- II. Protect the user rights
- III. Protect the user benefits

- | | | |
|------------------------|------------------------------|-------------------------|
| (a) (I) Only. | (b) (II) Only. | (c) (I) and (III) Only. |
| (d) (I) and (II) Only. | (e) All (I), (II) and (III). | |

10) Which of the following user(s) is/are technical writer(s)?

- I. Farmer
- II. Engineer
- III. Teacher

- | | | |
|------------------------|------------------------------|--------------------------|
| (a) (III) Only. | (b) (II) Only. | (c) (II) and (III) Only. |
| (d) (I) and (II) Only. | (e) All (I), (II) and (III). | |

- 11) Which of the following is/are considered as technical report(s)?
 I. Proposals
 II. Feasibility studies
 III. Specifications
- | | | |
|------------------------|------------------------------|--------------------------|
| (a) (III) Only. | (b) (II) Only. | (c) (II) and (III) Only. |
| (d) (I) and (II) Only. | (e) All (I), (II) and (III). | |
- 12) Which of the following reviewing method is generally accepted as the least biased in scientific publication reviewing?
- | | | |
|----------------------|------------------------|------------------|
| (a) Single blind | (b) Double blind | (c) Triple blind |
| (d) Open peer review | (e) Closed peer review | |
- 13) Which of the following statements are true with respect to the Internal and External balance of a technical document?
- | |
|---|
| (a) Uniform organization of the content within the document |
| (b) Consistency for the reader |
| (c) The document should not have more than three levels of sections, i.e. sections, subsections, sub subsections. |
| (d) Sections should have more content than subsections |
| (e) The subsection should have more content than the main sections |
- 14) In technical writing, knowing your audience will allow you to decide the
- | | | |
|---------------------------|---|----------------|
| (a) writing tone. | (b) amount of details. | (c) structure. |
| (d) number of references. | (e) technical writing tool that should be used. | |
- 15) What are the LaTeX commands used in drawing a table?
- | | | |
|---------------------------------|------------------------------|----------------------------------|
| (a) <code>\begin{table}</code> | (b) <code>\begin{row}</code> | (c) <code>\begin{tabular}</code> |
| (d) <code>\begin{column}</code> | (e) <code>\hline</code> | |
- 16) Which of the following LaTeX command is used to begin a new section?
- | | | |
|----------------------------------|----------------------------------|--|
| (a) <code>\begin{section}</code> | (b) <code>\begin{chapter}</code> | (c) <code>\section{new section}</code> |
| (d) <code>\sectionbreak</code> | (e) <code>\pagebreak</code> | |
- 17) Which of the following LaTeX command(s) can be used to create a list within a document?
- | | | |
|-----------------------------------|-----------------------------------|------------------------------------|
| (a) <code>\begin{itemize}</code> | (b) <code>\begin{list}</code> | (c) <code>\begin{enumerate}</code> |
| (d) <code>\begin{numbered}</code> | (e) <code>\begin{bulleted}</code> | |

18) Consider the following.

- I. Words
- II. Tables
- III. Equations

Which of the above is/are used to model an idea in technical writing?

- | | | |
|-------------------------|------------------------------|------------------------|
| (a) (I) Only. | (b) (II) Only. | (c) (I) and (II) Only. |
| (d) (I) and (III) Only. | (e) All (I), (II) and (III). | |

19) Which of the following graphs can be categorized as bar charts?

- | | | |
|------------------------------|------------------|-------------------|
| (a) Stacked horizontal chart | (b) Bubble chart | (c) Clutter chart |
| (d) Waterfall chart | (e) Area chart | |

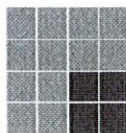

20) Identify the correct statement(s) regarding the line charts.

- | |
|--|
| (a) Line graphs are widely used to plot discrete data. |
| (b) Line charts always must have a zero baseline. |
| (c) The data plotted must be at regular intervals when graphing the time on the horizontal x-axis of a line graph. |
| (d) The slope graph is an example of a line graph. |
| (e) Very thick lines used in line charts are better as they clearly show the real marker positions. |

21) Which of the following statements is/are correct regarding the figures used in technical writing?

- | |
|--|
| (a) Each and every figure must have a caption and a number. |
| (b) The best practice in technical writing is to end a section or chapter after a figure caption. |
| (c) When reusing a figure from another source, one must either cite the source and/or obtain proper permissions. |
| (d) The intellectual property rights (copyright) of a figure is owned by the one who reuses the figure, and it is not the one who created the figure originally. |
| (e) Any reference in the text to the figure is called a "callout." |

22) Identify the following graph type.

- | | | |
|-----------------|-----------------------------------|----------------|
| (a) Pie Chart | (b) 3D Chart | (c) Area Chart |
| (d) Table Chart | (e) Horizontal-Vertical bar Chart | |

- 23) Which of the given answers correctly categorizes the following attributes into 'Team' and 'Group'?

A: Independent members	D: Collective product of work
B: Individual product of work	E: Discuss-Decide-Do process
C: Multiple leaders	F: Interdependent Members

- (a) A-Team, B-Group, C-Group, D-Team, E-Group, F-Group
 (b) A-Team, B-Group, C-Team, D-Team, E-Group, F-Group
 (c) A-Group, B-Group, C-Team, D-Team, E-Team, F-Team
 (d) A-Group, B-Group, C- Group, D-Team, E-Group, F-Team
 (e) A-Group, B-Team, C-Group, D-Group, E-Team, F-Team

- 24) Which of the following does not come under the category of project teams?

- (a) Cross-Functional Team (b) Virtual Team (c) Contract Team
 (d) Operational Team (e) Functional Team

- 25) Match the phrases listed in Column A with the most appropriate leadership level listed in Column B.

	Column A		Column B
(I)	People follow because of what you have done for the organization	A	People Development
(II)	People follow because they have to	B	Production
(III)	People follow because of what you have done for them	C	Permission
(IV)	People follow because they want to	D	Position

- (a) (I)-(B), (II)-(D), (III)-(C), (IV)-(A)
 (b) (I)-(B), (II)-(A), (III)-(D), (IV)-(C)
 (c) (I)-(D), (II)-(A), (III)-(C), (IV)-(B)
 (d) (I)-(B), (II)-(D), (III)-(A), (IV)-(C)
 (e) (I)-(C), (II)-(D), (III)-(A), (IV)-(B)
